2:15 p.m. – 4:00 p.m.	DUR: 2004-2005 Retrospective Drug Utilization Review for Washington Medicaid 1. Background: Federal regulations require that Washington Medicaid conduct retrospective Drug Utilization Reviews to identify and address any patterns or trends of inappropriate drug utilization. In most cases, Washington Medicaid responds with provider education via ACS' Intensive Benefits Management and Therapeutic Academic Detailing programs. 2. Today's presentation: Tami Sweat, Pharm.D, ACS, will present the monthly targeted Drug utilization reviews and educational programs conducted in 2004-2005 for Washington Medicaid. 3. Expected Outcome: Informational. DUR: Narcotic Review Program 1. Background: HRSA has identified 320 Medicaid clients as high utilizers of CII and CIII narcotics. After distributing a 12 month medication profile to every provider involved in prescribing or dispensing narcotics to these clients, all prescription requests for their narcotics were stopped for prior authorization. 2. Today's presentation: Dr. Thompson will present an overview of the Narcotics Review Project including data to show status and results of first targeted review. The review will continue with another round of provider education in September. 3. Expected Outcome: Informational.	Tami Sweat, Pharm.D Affiliated Computer Services (ACS) Jeff Thompson, MD Chief Medical Officer/ Director DMM Health and Recovery Services Administration Dept of Social and Health Services
